

**2012**

***Friday Intensive Learning Programs***

Dear Parent/Guardian:

We are offering you an opportunity to help you help your child! Pompano Beach High School will be conducting Friday learning programs for our 9<sup>th</sup> and 10<sup>th</sup> grade students to strengthen skills in reading, writing, algebra 1/geometry, and biology. These sessions are an opportunity for your child to receive extra help in a small-group setting. Your child will receive intensive instruction in the academic areas needed to succeed on the Florida Comprehensive Assessment Test (FCAT) and the new end-of-course (EOC) exams.

The reading program will begin on Friday, February 10, 2012, and end on April 13, 2012. The dates for both the math and science programs are April 20<sup>th</sup> and April 27<sup>th</sup>.

If you are interested in enrolling your child at no cost, please follow the links below to the appropriate form. All information needs to be completed before your child can attend. Carefully complete the transportation portion of the form. ***Please return the registration form to the main office by February 3<sup>rd</sup>.***

We hope you and your child will take advantage of these wonderful educational opportunities by attending every session. If you have any questions, please call Mr. Williams for math and science information or Ms. Atlas for reading information at 754-322-2000.

Sincerely,

***Hudson Thomas***

Hudson Thomas, Principal
